

# Congratulations!

On winning quality paving awards to these contractors from Arkansas, a State known for quality asphalt paving.

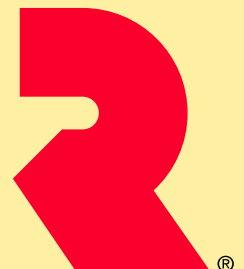

Arkansas State Wide Quality  
Asphalt Paving Award Winners.

## What Do These Winners Have in Common?

They All Used a Roadtec Shuttle Buggy® Material Transfer Vehicle on Their Award-Winning Projects.

With the Shuttle Buggy MTV great results are yours because the device virtually eliminates temperature and material segregation. That leads to a smooth mat with even densities. The Shuttle Buggy MTV is available with truck dump and windrow head.
