

workshop

13th Annual

Chattanooga, TN

March 8-9, 2010

March 10-11, 2010

sponsored by:

Roadtec is proud to host the asphalt industry's most comprehensive paving training conference. A team of experienced professionals from leading companies in the industry will provide the most thorough classroom and hands-on instruction; covering proper applications of asphalt lay-down, handling, and rolling equipment. Sessions will be held at the state-of-the-art facilities of Astec, Inc., in Chattanooga, Tennessee. A variety of equipment will be on hand for all sessions. Class reservations and hotel information can be obtained by logging on to www.roadtec.com or by e-mailing cmercer@roadtec.com.

ROADTEC an Astec Industries Company
